

**'Just a couple of hours away, yet a world apart. Let me show you some of what this fascinating island has to offer, from the famous Osborne House and Carisbrooke Castle to the network of footpaths, the ever changing coastline and the island's role as a holiday resort and defensive site'**

# **MON 4<sup>TH</sup> MARCH**

## *SPEAKER GRAHAM HORN*

**All YOSC members are invited**

Graham will be giving a talk entitled  
**'Isle of Wight, England in Miniature'**

Graham is a Geographer by training, a Transport Planner by profession, and a discoverer by nature. In his role as a Blue Badge Guide he gains great pleasure to help you to discover South West, South and South East England. Graham's specialisms are history and historic towns and places, waterways, geography, transport and the countryside.
