

YOSC Library (November 2009)

Hello all **Yateley Offshore Sailing Club** members this is your Librarian here. **Your club** has a library which offers you a number of services. These pages contain an index of all loan items, notes the way the library works and how to contact the librarian. This file was last updated on 18/11/2009.

The library has a stock of **Books, Videos, CDs** on sailing matters and **Equipment** for you to borrow. The Librarian also has a stock of club **burgees** for sale @ £11.50

There is no fixed loan period for any item, but to provide a good service to all members it is suggested that books, videos and CDs are returned within 4 weeks.

Once a year, around October orders are taken for **clothing**; sweatshirts, T-shirts, fleeces, polo shirts etc, embroidered with the YOSC logo, with or without a boat name. Choose a popular item or select from a catalogue. All items can be embroidered with the YOSC logo.

The Librarian is always looking to acquire new material, books, videos and CDs etc. on sailing matters. If you have any to donate, see Librarian. If you know of any good items to purchase, let me know your views and if supported I will action. If you have any suggestions for additional Library services let me know.

The YOSC has the following items of hardware to assist in the maintenance of boats.

VSWR and power meter (HF/VHF)

High-pressure washer

Anti foul scraper

Polisher/buffer Large

Polisher/buffer Small

Sump oil pump

Mini engraver

Hot blade rope cutter & Sealer

Battery Drop Tester

Projector screen

These are all available for you to borrow. To give a good and fair service to all members an **agreed loan period** system operates for equipment, this allows the Librarian to manage the loan system and maintain the equipment. **Equipment has to be returned to the Librarian at the end of the agreed loan period. Members are requested not pass items directly to other club members**, as this will upset the booking and maintenance system. Contact the librarian to book or borrow an item.

For any library service contact the Librarian at the YOSC Monday evening social gathering, at Sandhurst Social Club or via telephone or e-mail.

For telephone and e-address details of the Librarian see the "Members Pages" on this web site or look in the annual Members Directory that's distributed to members each year.
