

The Yateley Offshore Sailing Club "Nearly Round the Island" event will take place on Saturday 21st August 2010. Starting at about 09:00 from the Eastern Solent near the Warner Buoy we will sail clockwise around the Isle of Wight and finish in Lymington, Yarmouth or Cowes depending on the conditions on the day.

To add a bit of interest, skippers will be asked to predict their arrival time at several points along the way. For every minute early or late compared to predicted time, 1 point will be allocated. 2 points will be allocated for each minute of engine time used during the leg. Points do not mean prizes in this case because the winner will be the yacht with the fewest number of points.

This is a popular event and 8 yachts have signed up so far. If you would like to be added to the list, please let Kevin Morgan know by replying to this email or calling on 07747 617428.
